

ALTERNATIVE *Gift Giving*

Change your world, one donation at a time

MAP encourages alternative gift giving as a conscious, sustainable way of life. Alternative gift giving is a form of gift giving in which the giver makes a donation to a charitable organization in the recipient's name.

More and more people are replacing traditional gift giving with unique, meaningful ways to celebrate special occasions such as: wedding, birthdays, anniversaries, or recognizing a special person who has made a difference in your own life.

Celebrate your event or someone's life in the spirit of generosity, compassion and giving. Your event will provide food, education and healthcare for hundreds of children.

A few easy steps and your guests will be directed to make a donation in your name to MAP.

For additional information please email info@momsagainstopoverty.org

On behalf of the children thank you for your generosity and choosing MAP to be a part of your special event.
