

Moms Against Poverty
Changing the World, One Child at a Time

Dear Donors, Friends, and Supporters,

We are pleased to announce that Moms Against Poverty's **4th Annual Orange County Fundraising Gala** will be held on August 12, 2017 at Hotel Irvine in Irvine.

Moms Against Poverty (MAP) is a 501c3 non-profit charity organization with a holistic and multifaceted approach to breaking the vicious cycle of childhood poverty. MAP's programs include **Education Empowerment, Hunger Relief, and Orphan Care**. Through our projects, we reach thousands of children facing neglect, malnutrition, poverty, abuse, natural disaster, disease, and disabilities, mainly in the U.S., Iran, Cambodia, India, and Africa.

MAP's newest and most significant milestone in its work in Iran, which is the recent opening of its first private orphanage in Kerman, is the embodiment of MAP's mission. This center will be home to 30 girls where each of them will be loved and cared for by professional and dedicated staff. A home where they will learn the importance of self empowerment through education; a home where they will be given the opportunity to secure themselves a brighter and safer future and hence break the very same cycle of poverty which landed them in the welfare system.

Through our education empowerment and hunger relief programs in the U.S., we provide nutritious food for children facing food insecurity so that they can attend school and learn, as well as after-school education programs to enhance their learning. Thanks to funds from the 2016 gala with attendance of over 330 people, amongst others, MAP supported the Blind Children's Learning Center in Santa Ana.

On behalf of the children MAP serves, we seek your help. Please support us by donating products or services for the upcoming silent auction at the gala. Become a donor and show your family, friends, colleagues, business partners, community, and clients your commitment to breaking the cycle of child poverty.

We hope that we will have the privilege of offering your donation at the 2017 Fundraising Gala in Orange County.

Please contact Ms. Bitia Imani on (650) 771-8474 or bitia@nationwideasap.com for your donation.

Thank you for caring and for your support for this compassionate mission.
